**SUPPLEMENTAL PRELIMINARY AMENDMENT**

Sir:

Prior to examination of the above-captioned patent application, a National Phase Patent Application of International Patent Application No. WO 01/01544, please amend the National Phase Patent Application as shown below.

**In the Claims:**

Please amend claim 102 to read as follows.

102. (Amended) The boost bridge amplifier of claim 99, wherein all active switches are semiconductor switches, such as mosfets, IGBT, bipolar transistors or MCT.

**REMARKS**

A typographical error was noted by Applicants with respect to the dependency of claim 102 as filed. Accordingly, amendment of claim 102 is respectfully requested prior to examination of the above-referenced National Phase Patent Application. A marked-up version of claim 102, which illustrates the aforementioned amendment, is attached.

Also appended to this Supplemental Preliminary Amendment is an Information Disclosure Statement, Form PTO-1449 and cited documents. Additionally, a Response to a Notification of
